The mockup shows a mobile application interface. At the top, a blue header bar contains a menu icon (three horizontal lines), the word "Logo", and a green circular button with a white plus sign. Below the header, the main content area is divided into two sections. The first section has a light gray background and lists three people: John Doe, Katrin Benz, and Alexis Texas. Each name is preceded by a gray circular profile picture placeholder and followed by a blue "View" button. The second section has a white background and lists three more people: Kurt Russel, Sergey Shnurov, and Mary Huanna. Each name is preceded by a gray circular profile picture placeholder and followed by a green "Open" button. Below the list, there is a horizontal slider with a green circular handle in the center. At the bottom of the screen, there is a gray bar containing a downward-pointing chevron icon and a blue circular button with a white speech bubble icon.
